Dear Harriett

**Your application for access to government information**

The Forestry Corporation of NSW received your access application under the *Government Information (Public Access) Act 2009 (GIPA Act)* on 24 November 2014.

Please find attached the notice of decision in response to your request for access to government information.

As per my previous letter, processing fees are payable on this application. I have considered your request for a 50% reduction in these fees due to your not for profit status and have determined that this will be granted in this instance. An invoice will be forwarded to you for the outstanding balance.

In accordance with the decision, the documents released are attached. I will advise you when the review timeframe for Document 4 has ended.

If you have any questions, please contact me on 9872 0105 or by email at [joanna.bodley@fcnsw.com.au](mailto:joanna.bodley@fcnsw.com.au)

Yours sincerely
